

Comfort - Functionality - Durability

Multiple Positions for Enhanced Patient Comfort

Features:

- The Deluxe Clinical Care Recliner with Drop Arms features three positions for patient comfort. The fourth position, a caregiver-activated Trendelenburg (or Shock) Position, is easily actuated from either side of the recliner by a conveniently located foot pedal
- Innovative, easy to actuate drop-arm feature. Self-storing drop-arms are simple for the caregiver to activate and enable a safer, easier lateral transfer for the patient and caregiver
- The wide, contoured seat and back, along with an integrated footrest, provide an enhanced level of patient comfort
- Wall saver armrest caps increase durability of the armrests and protect walls from marring
- Wide range of fabrics / colors
- Quick Ship available

- Four Tente[®] swivel casters facilitate transport and maneuverability in confined areas. Three total locking casters with one directional locking caster
- Durable, high-impact side tables sit flush with recliner arm to conveniently hold prep materials. Side table surface is smooth and features tapered edges for easy cleaning
- 350 lb maximum weight capacity, evenly distributed

Options:

- Heat and Massage
- Fully Upholstered Armrests
- IV Pole Holder / IV Pole
- Headrest Cover
- Universal Pillow
