

# AL-52294

## High Capacity Waist-High Stand-On Scale

Designed for obese and unsteady patients, this 600 lb capacity scale features a balanced, lightweight design. It's easily tipped back for transportation on its hard, large diameter, rubber wheels yet narrow enough to fit through 30" doors. The battery-powered, LCD display rotates for easy readability. The low-profile platform, convenient handrail and skid-proof mat add to patient assurance.
