

AL-67732 H-Base | AL-67733 U-Base

Executive II Split-top Overbed Table / AL-67732, AL-67733
Acute Care Tables

AL-67732 H-Base
AL-67733 U-Base

Dual cup holders

- Accommodates most commonly used beverage containers
- Flexible tabs grip the cup preventing spills
- Easily removed for cleaning

Dual ergonomic handles

- Molded urethane provides comfortable grip
- Internal steel structure provides strength and durability
- Provides easy mobility
- Helpful for caregiver, family, or patient

Dual top design

- Dual tops provide maximum space for food trays and personal items
- Upper top includes a raised urethane edge for spill containment
- Urethane edge available in alternate color choices
- Lower top is hidden until easily activated with a single touch of a lever
- Tops slide and lock in either direction for added versatility and safety

Storage area between cup holders

- Urethane edge keeps items from rolling off
- Perfect for pens, pencils, and other small objects

Base design and function

- Pneumatic lift mechanism provides infinite height adjustment between 29.5" and 44.5"
- Internal bushings for smooth height adjustment
- Column can be easily changed to mount on the right or left side
- Low height provides comfortable use from most patient room seating
- Wide 28" opening allows easy access for most wheelchairs
- Available in both U and H style base design
- Opal powder coated base and column
