

Ergonomic Earbuds

Features:

- ◆ Individually bagged
- ◆ Most comfortable earbud on the market today
- ◆ Single earbud features mono sound
- ◆ Soft rubber ear tip
- ◆ 6 foot cord
- ◆ Nickel-plated plug
- ◆ Single mono earbud is ergonomically designed to fit comfortably in the ear and offers better sound quality
- ◆ Single earbud constructed of black plastic features a soft replaceable rubber ear tip and a 6 foot cord
- ◆ The design of this earbud allows it to fit more snugly into the ear canal most outside sound is blocked so having a single earbud as opposed to two gives great sound quality in one ear and still allows the user to be aware of what is going on around them.
