

SNMP Webcard Interface Module - Remote Cooling Management for Use with AL-81619

AL-83986

Highlights

- External SNMP/Web management accessory card module for use with the AL-81619 Portable Air Conditioning Unit
- Enables remote monitoring and management of cooling in back offices, computer rooms, small server rooms and network closets
- Monitor temperatures, receive alerts, review logs and control settings from any location
- Simple installation and setup

Package Includes

- SNMP Webcard Interface
- EnviroSense Module
- Mounting Hardware
- Software CD Manuals

Description

The AL-83986 adds remote SNMP monitoring and management capabilities to the updated AL-81619 Portable Air Conditioning Unit. The AL-83986 includes the EnviroSense temperature and humidity module and mounting hardware for easy installation. The unit provides the ability to remotely adjust fan speed, cooling temperature, and dehumidification modes. The included EnviroSense module can be used instead of the temperature sensor within the AL-81619 to monitor ambient conditions and to control the temperature set point of the AL-81619. This helps ensure that supply air to important equipment is at or below a target temperature in cases where AL-81619 is indirectly supplying cold air to that equipment. The included AC power adapter supports 100-240V 50/60Hz worldwide voltage capability with either the NEMA 1-15R or CEE7 SCHUKO snap-in plug adapters.

Features

- Turns the AL-81619 Portable Air Conditioning Units into managed devices on the network using SNMP network management platform or a web browser
- Included ENVIROSENSE module provides remote monitoring of temperature and humidity
- Included PowerAlert Software provides a single interface for both the AL-81619 and the ENVIROSENSE module

Specifications

OVERVIEW	
Accessories Type	SNMP Card Module
INPUT	
Nominal Input Voltage Description	100-240 VAC ; 50/60Hz
Plug Type	NEMA 5-15P Adapter
USER INTERFACE, ALERTS & CONTROLS	
LED Indicators	1 Link LED to confirm connection and indicate speed & 1 Status LED to indicate when the card is initialized
PHYSICAL	
Shipping Dimensions (hwd / in.)	3.7 x 7.68 x 6.3
Shipping Dimensions (hwd / cm)	9.4 x 19.5 x 16
Shipping Weight (lbs.)	1.98
Shipping Weight (kg)	.90
Unit Dimensions (hwd / in.)	3.18 x 7.6 x 14.7
Unit Dimensions (hwd / cm)	9.4 x 19.5 x 16
Unit Weight (lbs.)	.71
Unit Weight (kg)	.32
Material of Construction	Sheet Metal
Color	Black
WARRANTY	
Product Warranty Period (Worldwide)	2-year limited warranty
