### Purpose

The Gel-Foam Cushion is a gel over foam cushion designed to relieve pressure and increase comfort. The water based gel surface provides cooling action that reduces skin-damaging perspiration.

### Easy to Use

Place cushion on a level surface and secure to the chair with safety ties.

### Easy Care

The vinyl cover may be wiped clean using a damp cloth and spray-type cleanser. A mild disinfectant may be used. The Low-Shear outer cover can be laundered and dried at temperatures up to 180°F (82°C). Do not use bleach.
