

QUICK-SAN™

DISINFECTANT WIPE DISPENSING STAND

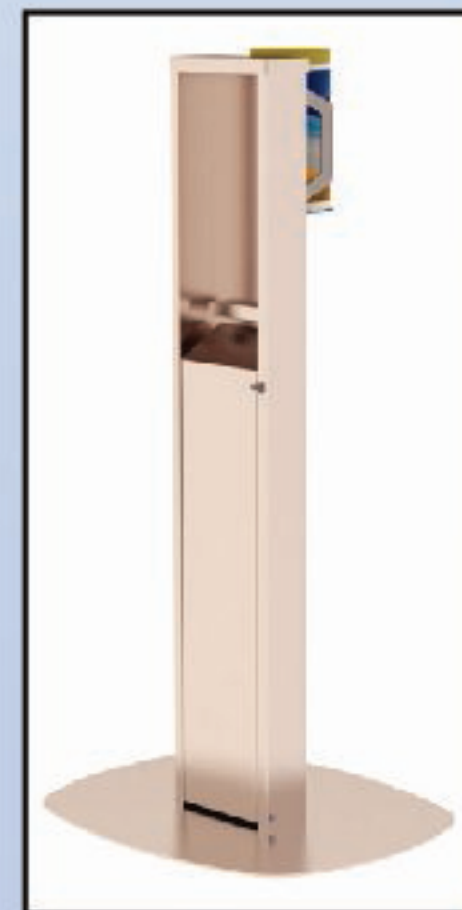

Ideal For Holding And Positioning Wipe Containers

Quick-San stands provide convenient dispensing of essential disinfecting wipes near entrances and throughout facilities. Ideal for retail, schools, manufacturing, warehouse, medical, food service operations, and more. The stand includes a unique platform that securely holds most popular brand wipe containers, and includes a convenient built-in waste chute and receptacle for used wipes.

AL-88503

Back panel swings open for refuse bag replacement.
