New frame design, including
adjustable wings and tall back option

Front pivot seat tilt maintains a
proper position for self-propulsion

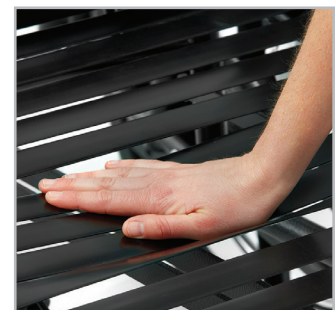

Dynamic rocking feature calms
and creates contentment

Shown with short back, Matrix® Elan headrest and lateral support options

Patient, Facility, & Caregiver Benefits

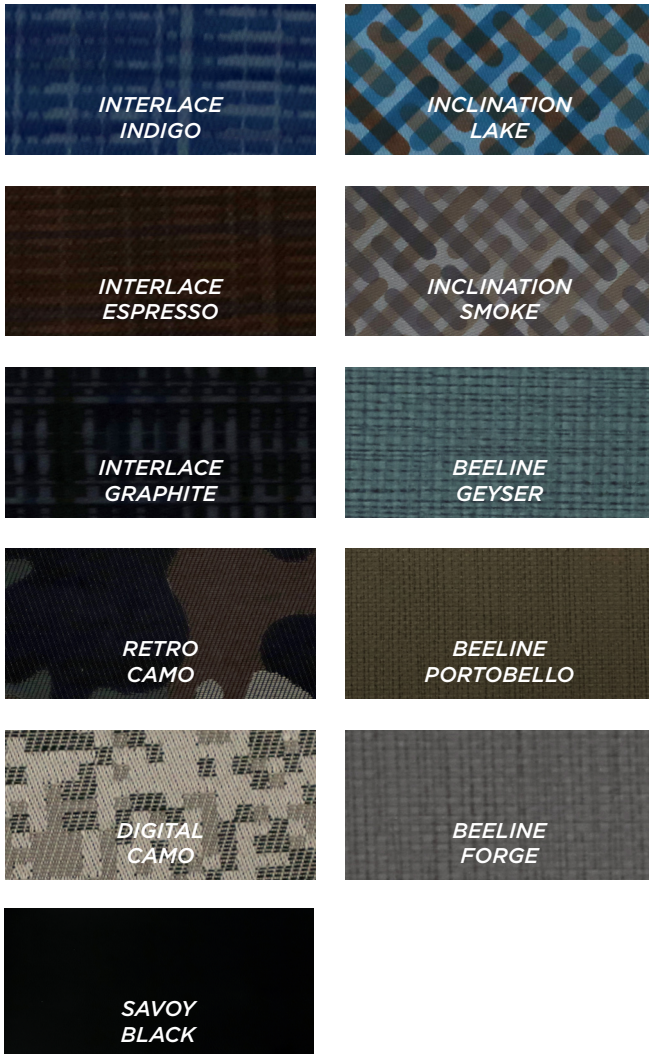

- Increases quality of life and engagement with surroundings
- Allows for easy self-mobility and safer patient maneuverability
- Reduces risk of injury and falls with supportive stable positioning

Comfort Tension Seating®
increases support as well as
sitting tolerance

The Encore of Comfort, Functionality, and Style
