

Universal Equipment Stand

AL-89975

*"Accommodates most
CPAP & BiPAP units"*

**Everything pictured is included*

A UNIVERSAL EQUIPMENT STAND

The **SmartStack** universal equipment stand comes equipped with a heavy-duty, universal mounting plate, which is designed to accommodate most CPAP and BiPAP units. Its specially-designed cast aluminum base provides extra support and durability. Its patented interlocking design nests neatly with other **SmartStack** bases for ease of portability and storage. The **SmartStack** equipment stand also includes a pole-mounted basket for added storage.
