Instruction Sheet

Security Laptop Stand AL-78545 (Keyboard Tray)

Loosen the Locking Lever and unfold the Keyboard Tray to allow access to the mounting studs

To open the cover and insert your computer, use the Security Key to turn the fasteners 1/4 turn counter-clockwise. The fastener should pop up to give a visible indication that it is unlocked. To refasten, use the key to push the fastener back into its socket and turn clockwise until locked.

Place the Housing/Keyboard Tray Assembly onto the Upper Column Assembly. Thread the nuts onto the mounting a 7/16" wrench
