# Wall-Mount Fold-up WHEELCHAIR SCALES

### SPACIOUS PLATFORM

32.3-in W x 33-in D /  
82-cm W x 84-cm D  
Weighing Platform  
Provides Ample Room

AL-83345  
Wheelchair Scale with  
Easy-Access Ramps

- 1,000 lb / 300 kg Capacity
- Optional Wi-Fi for EMR/EHR
- Sturdy Steel Construction
- USA-Made Quality

**1,000-lb/300-kg CAPACITY**

**Ideal for Bariatric Weighing**

ALCO's AL-83345 Wheelchair Scale folds up compact against the wall to conserve floor space when not in use.

## American-made Quality Throughout the Scale

USA-Made Load Cells, Weight Indicator, and Scale

- Compact Vertical Fold-Up Platform Conserves Space
- Pushbutton and Keypad Tare for Wheelchair Weights
- Accommodates Some Sizes of Power Wheelchairs
- May be Used on Carpet or Hard Floor Surfaces
- USA-Made Quality - ISO 9001:2008
- RS232 Serial and USB Ports Standard
- Body Mass Index Calculation
- Optional Printer Available

**ALCO's USA-made AL-83345 wheelchair scale features a unique fold-up storage design that saves space when not in use.**

The AL-83345 easily accommodates most wheelchairs, and yet requires very little floor space when folded up. The slim 6.6-inch / 17-cm profile takes up minimal space when installed in a medical facility hallway, clinical office, or patient room. When you're ready to weigh, simply lower the platform and the gas spring lifting mechanism will gently lower it into place. The patient may be easily rolled onto the scale, and a platform lip will hold the wheelchair securely in place for weighing.

**Slim 6.6-inch / 17-cm Compact Profile**

## MOUNTS SECURELY TO A WALL FOR STORAGE

### Compact Storage

After use, the AL-83345 may be folded up vertically to conserve space.

Patients may be weighed in a wheelchair, chair, or standing.

Wheelchairs in Place on Scale

## EFFICIENT MEASUREMENT

MedVue® weight indicator is the clinical industry's most advanced, featuring EMR/EHR-ready serial, USB, and optional Wi-Fi connectivity, BMI calculation, yellow "quick keys" for basic weighing, and a multi-line LCD display. The scale is powered by 6 C batteries (not included) or optional AC adapter.
