

meet your new
IV POLE SYSTEM

The Benefits of Modular Design

Unit is completely modular. All parts are quickly replaceable, so it will never go out of service! Shipping costs are drastically reduced, as individual parts can be shipped separately.

**STAINLESS
STEEL**

We use only the finest, hospital grade, stainless steel made in the USA.

We produce the best MRI IV poles.

All IV poles can be customized to meet your specifications.

Best casters in the industry. Stainless steel hooded casters are self-cleaning and non-marking.

ALCO[®]
Sales & Service Co.

800-323-4282

AL-83491
