

Ultra Hanging Louvered Panels

Ultra bins will hang on louvered panels in a wide range of configurations designed to meet all application needs. Use the system best suited to your needs with your choice of Ultra Bins. Systems are formed from heavy-duty 16 gauge cold rolled steel and have a Gray or Oyster White powder coat finish which ensures years of heavy-duty use. Louvered panels may be mounted on any suitable wall surface. Fasten securely to assure adequate load bearing.
