

## CPU / Computer Mount for Desks and Rails

### AL-83991

#### Description

The AL-83991 Computer Mount saves valuable desk, table and floor space by securing your computer to a wall, desk or rail. Ideal for home, school and office use beneath, above or adjacent to your workstation, the AL-83991 fits most CPUs from 4 to 6.25 inches wide. Its adjustable open frame allows easy access to the CPU and its cabling. The durable all-metal unit supports up to 40 pounds. The scratch-resistant powder-coated finish tolerates frequent handling and blends with any décor. Wall-mounting hardware is included.
