EZ Lock Platform Rack & Pallet

EASILY STORE SUPPLIES & MATERIALS OFF THE GROUND

NEW

Expandable EZ Lock Platform Rack & Pallet

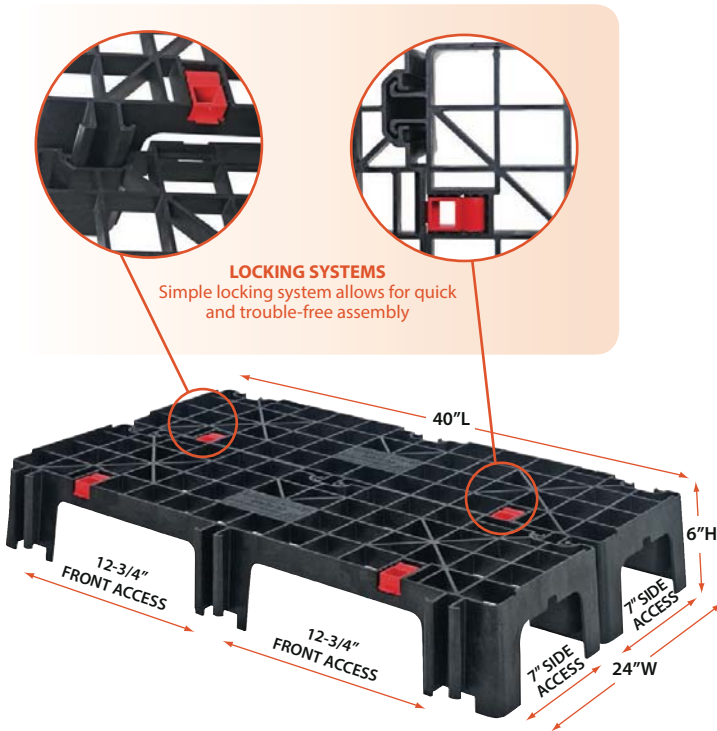

NEW EZ Lock platform and pallet allows you to customize your storage space in seconds. Its patented interlocking design allows true flexibility in building the exact size pallet or platform you need. Using 12" x 40" footprints, each unit locks together making this an all purpose storage, moving, and shipping solution. Manufactured of recycled high density polyethylene, the vented deck is freezer safe and chemical resistant. Its one piece body design and structure allows for a 4 way forklift and hand truck entry, and it meets GMA industry standards. Enhances any 5S Lean initiative. Withstands temperatures from -30° F – 200° F and offers a 2,500 lb. load capacity when connected. Once built, the structure will maintain its dimensions with no sagging or stretching. Plastic will not absorb any liquids or chemicals and is resistant to insect infestation. Perfect for use in hospitals, pharmacies, clean rooms, food and beverage areas, manufacturing environments, and supermarket and grocery store back rooms. **Color:** Black
