

Stretcher Pads

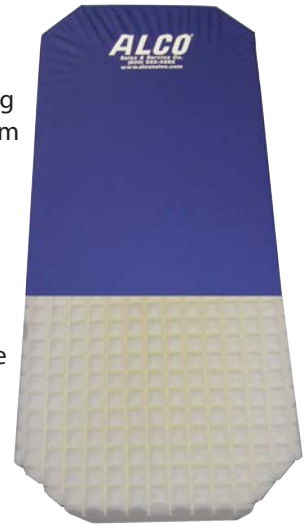

Comfort Core Foam Stretcher Pads

- High resiliency foam
- All 100% virgin polyurethane foam
- 4-way stretch, polyurethane cover
- Unique low slip bottom surface provides reverse side grip
- Velcro sewn to bottom of pad
- All surface seams welded to reduce fluid intrusion
- Non-allergic
- Anti-static
- Anti-microbial
- 8" corners standard

ShearTek™ Foam Stretcher Pads

- Ultimate comfort
- Top layer is high-density cushioning foam in a softer, body-molding foam
- Improves pressure redistribution, dissipates horizontal friction & increases air movement
- 4-way stretch, polyurethane cover
- Unique low slip bottom surface
- Velcro sewn to bottom of pad
- All surface seams welded to reduce fabric intrusion
- Non-allergenic, anti-static & anti-microbial
- 8" corners standard
